BIG SCRAP-COLLECTION DRIVE

COLLECTION OF NONFERROUS METALS -- Rude Pravo, No 266, 14 Nov 43

Five hundred seventy-seven tons of nonferrous metals have been collected by postal employees. The final result will probably be 600 tons. The postal employees in the Usti nad Labem zone have been most successful. They have collected 127,749 kilograms.

SCRAP COLLECTION -- Rude Pravo, No 263, 4 Dec 48

The extraordinary collection of old paper and textiles conducted on 13 and 14 November, as ascertained by the "Collection of Raw Material" state enterprise, produced a total of 200 carloads of raw materials, 20 carloads of which were old textiles. Of the 180 carloads of paper, 128 were obtained in Bohemia, 36 in Moravia, and 16 in Silesia. State enterprises will produce paper and new textiles from these valuable raw materials.

GOOD RESULTS IN SCRAP COLLECTION -- Rude Pravo, No 273, 23 Nov 48

In the recent extraordinary scrap collection, Sluknov Okres achieved considerable success: 14 carloads of paper and 30 quintals of textiles were collected. Good results were also achieved in Ceske Budejovice, where 21,000 kilograms of paper and 13,000 kilograms of textiles were collected, and in Decin, where 21,435 kilograms of paper and 1,975 kilograms of textiles were collected.

LATEST RESULTS OF SCRAP DRIVE -- Rude Pravo, No 274, 24 Nov 48

According to the reports of the "Collection of Raw Material" state enterprise, approximately 100 carloads of paper and ten carloads of textiles were collected on 13 and 14 November in the extraordinary collection of old paper and textiles. The best collection was in Ceske Budejovice Kraj, where the

population delivered nine full carloads of paper and 1½ carloads of textiles. Pilsen Kraj was in second place with six carloads of paper and one of textiles. On the other hand, in Tabor Kraj only 1,620 kilograms of paper and 720 kilograms of textiles were collected. Kladno collected only 4,600 kilograms of paper and 2,140 kilograms of textiles; Jihlava, 6,200 kilograms of paper and 1,500 kilograms of textiles; Ostrava, 9,300 kilograms of paper and 2,200 kilograms of textiles. The final results of the collection will be announced in the near future.

LATEST RESULTS OF SCRAP-COLLECTION DRIVE -- Rude Pravo, No 279, 30 Nov 48

According to preliminary reports already received by the "Collection of Raw Material" state enterprise, 180 carloads of old paper and 140 carloads of textiles have been collected in the Historical Provinces. Of this amount 90 carloads (in addition to Greater Prague, where 40 carloads have been collected) have been collected in Bohemia, and 50 carloads have been collected in Moravia and Silesia.
